Northern Grampians Shire

Statement of Significance

Last updated on - July 30, 2004

The Band of Hope Mine area consists of the filled shaft of the Band of Hope Mine and a large intact mullock heap with sixteen dumping lines. The area has partly revegetated.

The Band of Hope Mine is **historically** and **scientifically** important at a **LOCAL** level as a characteristic example of an important gold mining technique. Gold mining sites are of crucial importance for the pivotal role they have played since 1851 in the development of Victoria.

Overall, the Band of Hope mine is of **LOCAL** significance.
