Heritage Inventory Site

## Heritage Inventory (HI) Number

H8323-0022

## Heritage Listing

Victorian Heritage Inventory

---

Hermes Number 11003

Property Number

---

## History

Heritage Inventory History of Site: In 1906-7, the Crooked River Dredging Co. erected a barge-mounted dredge (ex-Omeo) to work a lease near the junction of Good Hope and Jungle creeks. The plant dredged an extent of three miles, from Winchester to Good Hope Creek. The last ground worked was in the neighbourhood of Talbotville in 1912, after which the dredge was removed to Tongio West.

*This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.*
