History

The remains of a small jetty were located one cable to the north of the bulk Wheat Pier (Ports and Harbours branch, 1959: 290). The pier was constructed sometime before the 1950s, and can be seen in aerial images from around that time.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
