|------------------------|--|
| Interpretation of Site | Heritage Inventory Interpretation: The historical scatter and bricks indicate that this could be the site of a former dwelling. The nature of the artefacts indicate a date of a least late nineteenth century. No archaeological evidence of sub surface foundations are evident, however, dense pasture grasses obscured the ground surface over much of the site. |
| Hermes Number          | 11533  |
| Property Number        |  |
