HO316

Heritage Listing

Yarra Ranges Shire

Statement of Significance

Last updated on - July 5, 2000

The Victorian Mount Morgan Mine is of possible regional significance as a substantially intact example of a late nineteenth century gold mining working the upper Yarra area. It is also of interest because of the geological formations which were being worked which differed from the other mines in the area.

Heritage Study/Consultant Yarra Ranges - Shire of Yarra Ranges Heritage Study, Context Pty Ltd, 2000;

Hermes Number 115914

Property Number

Physical Description 1
