Contextual History: History of Place:

Heritage Inventory History of Site:

MORNING STAR COMPANY in Monkey Gully

07.1859: has a lease on the line of the Falcon Gully.

08.1859: none of their three shafts has found deep ground.

11.1859: new lead discovered in the Havelock, Falcon and Morning Star claims has been traced through the Hartly, Northern and Criterion Companies and as far east as the Success Company.

01.1860: tested and shown to be paying claims but the company is slow to start.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
