Statement of Significance

Last updated on - November 11, 2002

Low scientific, local historic.

Interpretation of Site	Site dates to late 1800's, may contain interesting artefacts & structural evidence. It is possible that this location may have had earlier occupation (Murray 1850's). If site to be impacted then further research (late record search) & sub-surface testing required to clarify the significance of this site.
Archaeological Significance	This site is of moderate archaeological significance as teh former weatherboard building was dismantled in 1950. Potential for cultural deposits relating to the late 19th century occupation.
Historical Significance	This site is of local historical significance due to its assoc. with early local settlement in the area.
Hermes Number	12661

Property Number

History

J.D. Burnie bought allotment 26 in 1878 and built this house sometime after that. Historical evidence (spreadbrough & Anderson, 1983) also show 'Murray' settlement in this area during the 1850's. The house was dismantled in 1950 by Ormond Howe and materials re-used to construct adjacent shearing shed.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
