History

'Martha Crain, Widow' is listed directly south of the Commercial Inn in the 1866 Butler's Woods Point and Gippsland directory. Dr Wayne Caldow, through his own research, has identified Craine as a Milliner. The early history of the site is otherwise unclear, though this section of the special survey may have been settled in the 1840's.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
