HO24

Heritage Listing

Maroondah City

Statement of Significance

Last updated on -

Algerian Oak (*Quercus canariensis*). Planted last century, this magnificent tree sustained storm damage about 20 years ago, rendering it prone to splitting. It was saved from slow disintegration by the installation of an extensive network of cables, which stabilise the tree's limbs.

Heritage Study/Consultant	Maroondah - Maroondah Heritage Identification Study, Richard Peterson with Peter Barrett, 1998;
