TIMBOON VIC 3268 - Property No T11748

Municipality

CORANGAMITE SHIRE

Level of significance

Local

Heritage Listing

National Trust

Statement of Significance

Last updated on -

Contribution to landscape

Outstanding sizes

A very large example of the species believed to have been planted by one of the early settlers in the area, possibly migrants from India. The railway was opened in 1892 but this tree was probably planted some 20 years later. The railway was closed in 1977.

It is located with the disused railway reserve near the former railway residence, next to Powers Creek

Measurements: 18/02/1991

Girth(m): multistemmed

Height(m): 13.1

Spread(m): 9.8
