
Araucaria heterophylla

Location

34 Gnotuk Lane CAMPERDOWN, CORANGAMITE SHIRE

Municipality

CORANGAMITE SHIRE

Level of significance

State

Heritage Listing

National Trust

Statement of Significance

Last updated on -

This Norfolk Island Pine is significant for aesthetic, historic and scientific reasons at State level. It is outstanding for its large height at 25 metres and its canopy spread of 17 metres. It makes a significant contribution to the landscape, forming part of the historic Gnotuk garden. This is the slightly smaller of two excellent examples of Norfolk Island Pine growing in the garden, and is one of the oldest trees on the site.
