What is significant?

A large, mature *Araucaria bidwillii* (Bunya Pine) located in Surrey Hills.

How is it significant?

This *Araucaria bidwillii* (Bunya Pine) is significant for social and scientific reasons at State level.

Why is it significant?

This *Araucaria bidwillii* (Bunya Pine) is a large, mature tree in top condition with a beautiful symmetrical shape. It is outstanding for its height of 31.3m, circumference of 4.3m and canopy spread of 20m. It makes a significant contribution to this suburb where it dominates in its roadside position. Another significant Bunya Pine is located in the neighbouring suburb of Box Hill (T12146). Together with this Bunya Pine they are the only examples on the register located in suburban gardens in Melbourne

Other Names Bunya Pine,
