Physical Description 1

This is a Harcourt granite memorial comprising a pair of polished granite Tuscan Order columns resting on a stepped plinth with a rock-faced base. The columns are surmounted by an arch to which is affixed a bronze military crest. The memorial is sited more or less centrally in a concretebrick paved apron. Arranged in a curve to the rear of the memorial there are rough-hewn boulders with bronze plaques commemorating conflicts in Vietnam, Borneo, World War Two, Malaya and Korea.

Flanking plantings are Palms (*Washingtonia filifera*) and an encircling planting of olives, with informally distributed Eucalypts (species not known) in the park lawn. A new stone memorial located at the south-west corner of the park was under construction at the time of writing
