Physical Description 1

A weatherboard shop and attached residence with a gable facing the street and two gabled wings projecting on the right-hand side. The shopfront contains a multi-pane timber-framed window and tile facing, both dating from c.1930. The residence has a c.1930s three panel door to its front elevation, flanked by a multi-pane window. The timber picket fence to the front yard is presumably of recent origin.
