Heritage Listing

Victorian Heritage Inventory

Statement of Significance

Last updated on -

Further investigation is required to determine the full extent and condition of the race. There are however many races in the region, and it is not likely to have archaeological potential.

Interpretation of Site The water race is associated with 19th century gold mining in the region.

Hermes Number 45114

Property Number

History

Unable to locate any references to this part of the Loddon River. The general area was heavily mined during the 1860's.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
