Merri-bek City

Statement of Significance

Last updated on -

A row of five Victorian two storey shops and residences with rendered facades with solid parapets and arched pediments flanked by scrolls and other cement decoration. There is a skillion verandah supported by timber posts, and no.126 has an early twentieth century shopfront with tiled surrounds, metal shop frames with a central recessed entry. No.128 appears to retain part of its interwar metal shopfront as well.
