Statement of Significance

Last updated on - January 1, 2008

Although in good condition, the integrity of the building has been compromised with alterations to columns, the introduction of slate paving and an inappropriate colour scheme. The terrace as a whole is of regional significance as one of the furthest north and most impressive examples of this type built in the northern suburbs of Melbourne in the late 19th century (Hubbard 1991)

Heritage Study/Consultant	Moreland - City of Coburg Heritage Conservation & Streetscape Study, Timothy Hubbard Pty Ltd, 1991;
Hermes Number	56692
Property Number	

Physical Description 1

Seventh terrace house in row of seven built in rendered brick with bluestone detailing. Built c. 1890.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
