Physical Description 1

Nos. 2-4 Langtree Avenue is a two storey glazed magnesium and cream brick duplex with a hipped glazed clay tile roof. The houses are split by a staircase which leads to the entries at first floor level. Either side of the staircase at ground floor level is a garage. The duplex is largely magnesium brick at ground floor and cream brick at first floor level, with cream brick chimneys. Windows are steel framed. A low terraced cream and magnesium brick fence fronts the property to Langtree Avenue.

There are a number of mature plantings which are probably contemporary with the building.
