Municipality

GLENELG SHIRE

Level of significance

Heritage Inventory Site

Heritage Inventory (HI) Number

H7221-0209

Heritage Listing

Victorian Heritage Inventory

| | |
|-----------------------------|---|
| Interpretation of Site | Former house made from stone and slate roof, and a brick lined well. Now a mound of stones - 1m + high walls protected by rubble and well is intact. |
| Archaeological Significance | The site is archaeologically significant as there is high potential for archaeological deposits to occur sub-surface as the area has not been disturbed and artefacts may be in situ. |

| | |
|-------------------------|--|
| Historical Significance | Oak Park is of historical value as it relates to Portland's settlement period. |
| Hermes Number | 6662 |
| Property Number | |

History

Built approx. 1854 - Associated with Thomas Finn, Portland's first (1842-48) Chief Constable and merchant.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
