Statement of Significance

Last updated on - June 8, 2004

Horticultural value
Contribution to the landscape
Rare or localised
Outstanding example of species

A fine specimen of Spanish Fir which has reached a considerable height. A native of Spain, the species has grown particularly well throughout the Central Highlands, Daylesford, Coghills Creek, Creswick, Ballarat, Buninyong and Mt Macedon. The tree is in excellent condition and is an important planting in Queens Park.

Measurements: circa 1986
