Statement of Significance

Last updated on - June 16, 2008

Rare or localised

A stand of three trees of a species which is rare in Victoria. This stand is about 15km north west of the large stand at Wilby. The three trees have blown over but one particular specimen is very large, having a height of 15m (refer measurements). The paddock is grazed and cropped and there are no suckers. The owner has agreed to fence off the stand.

These trees are located in a paddock on the east side Burramine Road, 4.8 km NNE from Tungamah.

Measurements: 24/10/1988
