Statement of Significance

Last updated on - June 16, 2008

Contribution to the landscape of historic garden
Aesthetic value

This tree is a significant feature of the landscape, forming a backdrop to the sunken garden of the Anzac Hostel. Its large size, dense dark green foliage and large white flowers is particularly attractive. The tree has a solid trunk and good branch structure. The tree once grew beside a summer house on the mound of the former residence.

Measurements: 01/05/1992

Spread (m):16

Girth (m): 3

Height (m): 13

Estimated Age (yrs): 100

Condition: Good

Measurements: 27/01/2010

Height (m): 17

Spread (m): 15

Girth (m): 3.1

Estimated Age (yrs):132

Condition: Fair.

It is suffering extreme dieback at tips of all branches especially in the canopy. It would appear that it is suffering from the prolonged drought. The tree has been mulched.

Access: Restricted

Classified: 14/05/1992
