Location

Princess Way,, DROUIN VIC 3818 - Property No T11428

Municipality

BAW BAW SHIRE

Level of significance

Regional

Heritage Listing

National Trust

Statement of Significance

Last updated on - June 16, 2008

Contribution to landscape

This avenue of trees is located on either side of the main road into Drouin township, between Longwarry and Albert Roads. The planting occurred in 1936 as part of Arbor Day celebrations and several replacement plantings have occurred to replace those trees removed. The trees are outstanding during February-March when in flower and there is considerable colour variation.

Measurements: 14/01/1988

Spread (m): 8

Girth (m): 2

Height (m): 7

Estimated Age (yrs): 52

Condition: Good

Access: Unrestricted

Classified: 11/02/1988
