Location

Read Gardens, Stanhope Grove,, CAMBERWELL VIC 3124 - Property No T11442

Municipality

BOROONDARA CITY

Level of significance

Regional

Heritage Listing

National Trust

Statement of Significance

Last updated on - October 5, 2005

Contribution to landscape of historic park
Outstanding size.
Aesthetic value

This tree is a very large example of Blue Atlas Cedar displaying characteristic form. This tree has foliage of a very deep blue colour. Atlas Cedar is native to the Atlas Mountains of Algeria and Morocco and are large evergreen trees with needle-like leaves arranged spirally on young shoots. Their ovoid cones break up to release the seeds while still attached to the tree.

Located near railway bridge
