Municipality

BOROONDARA CITY

Level of significance

State

Heritage Listing

National Trust

Statement of Significance

Last updated on - June 10, 2004

Outstanding example of species

This is an attractive and large Cork Oak (*Quercus suber*) planted in the south west corner of the historic property, 'Canonbury', built circa 1861. Its well rounded spreading canopy, branch distribution and location within the garden provides a major contribution to the landscape. The tree was severely effected by Oak Leaf Miner in 1987 but has been well maintained since and is now healthy

Measurements: 09/1987

Spread (m): 16.6

Girth (m): 3.43

Height (m): 12.2

Estimated Age (yrs): 120
Condition: Good

Access: No access
