Statement of Significance

Last updated on - June 11, 2004

Horticultural value
Rare or localised
Outstanding size
Example of species

An outstanding example of this rare oak. Its narrow upright habit is very similar in form to the Lombardy Poplar. The uniform growth and size of this specimen contributes greatly to its significance as a feature of the landscape. Uncommon in cultivation in Victoria.

Located in the roadside reserve opposite the Avenue of Honour

Measurements: 05/1987
