State

Heritage Listing

National Trust

Statement of Significance

Last updated on - June 11, 2004

Outstanding size

Outstanding example of species

An outstanding tree which has attained a remarkable height. The tree has a very straight trunk and a well-balanced crown. It is among the many fine specimens of trees notable for their height growing in the garden at 'Alton' This planting presumably dates from the late 1870s.

The tree is located in the South-West section of the garden near the Weeping Beech
