National Trust

Statement of Significance

Last updated on - June 16, 2008

Contribution to landscape
Outstanding example of species

Three particularly fine specimens exhibiting a dense columnar crown. Two are planted opposite one another along the main drive. The third tree is in the Roman Catholic section within the memorial enclosure of Edward Willis and is the only planting within any grave. These trees represent the only known Taxus in a cemetery in Victoria.

Measurements:27/07/1992
