Municipality

YARRA RANGES SHIRE

Level of significance

Heritage Inventory Site

Heritage Inventory (HI) Number

H7922-0167

Heritage Listing

Victorian Heritage Inventory

Interpretation of Site	Logs presumably loaded from here onto train from local sawmills. Now disused but railway still operational as a tourist attraction.
Archaeological Significance	No apparent archaeological significance, however such sites are seemingly rare.
Historical Significance	Related to its association with the "Puffing Billy" Railway line, which has been in operation since the turn of the 20th C.
Hermes Number	10372
Property Number	

History

largely unknown, presumably used for log loading in the very early 20thC (at the turn of the century).

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
