Physical Description 1

164-166 Brighton Street, Richmond, comprises a symmetrical pair of double-fronted late Victorian semi-detached houses separated by a brick party wall projecting through the roof line. The walls are of red face brick, with painted rendered dressings. Each house has a projecting bay with tripartite windows, and a corrugated iron verandah spanning between the bay and a central brick wing wall. No. 166 retains its original bullnose-profile verandah, whilst the verandah on No. 164 has been reconstructed to a skillion profile. Both verandahs have cast iron lacework friezes. Beneath each verandah is a front door and a double-hung sash window. The bays have gabled roofs with timber fretwork and finials to the gable-ends. Continuing from under the eaves of the main hipped roof and across the front of each bay is a flat, rendered frieze which bears the names MAROURA (No. 164) and KOREIN (No. 166) respectively. There are rendered string courses at window head and sill level.

No. 164 retains its red brick chimneys which have unpainted render string courses and moulded caps. The roofs of both houses have been re-clad in corrugated galvanised steel. Both houses retain their original iron picket front fences.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
