Municipality

WHITTLESEA CITY

Level of significance

Heritage Inventory Site

Heritage Inventory (HI) Number

H7922-0214

Heritage Listing

Victorian Heritage Inventory

Interpretation of Site	Heritage Inventory Interpretation: Dairy and house probably first built and owned by Jim Brown who took up land after 1880s-1890s subdivision. Dairy is still extant but original Kemp Homestead has now been moved closer to Plenty River on Ashly Park property. relocation likely to have taken place in 1936-37.
Archaeological Significance	Site has archaeological potential to contain deposits associated with construction/use of farm complex buildings..
Historical Significance	Moderate to low significance under this criterion as the history of the complex is not uncommon in this area.
Hermes Number	10408
Property Number	

History

Heritage Inventory History of Site: Property appears to have been built after original subdivision of area in 1890s. bricks in dairy appear to be hand made, exhibit wire cut marks.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
