2019 - This place was assessed as being SIGNIFICANT to the Camberwell Road Estate Precinct in the 2018 MWHGS (Volume 2: Camberwell)

Previous assessment: Architecture, a near original and prominent example of a common suburban villa type which contributes to a precinct: of local importance and regional interest. History, little is known of Lovig but the builder, McMillan, is well represented in the suburb and has shown in many of Melbourne's middle suburbs that he was skilled in the designer- builder role: of local and regional interest.
