Property Number

History

Heritage Inventory History of Site: The Upper Yarra was sluiced for gold from the late 1850s, but many of the features along this walk date from more recent periods. One of the water races in the area was applied for in 1909 to divert water from O'Shannassy River to Big Bills Creek for gold sluicing purposes. Some of the original mines been reworked in recent years. Source: Malone, R., "Upper Yarra Goldfields Walk", 1988, pamphlet.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
