Statement of Significance

Last updated on - January 1, 2000

Individual place statement of significance::

The site has high historical significance, due to its association with Caroline Chisholm and the social history of the goldfields. It has low archaeological significance due to the site being occupied multiple times, cleared, graded and developed.

Precinct statement of significance::

Of State significance as an important remnant streetscape relating to the goldfields era village of Keilor, and with several substantial and intact buildings from the Gold Rush period including the Keilor Hotel, Court House and Police Station.
