
BOULDER RANGE 1 (BR-1) - TRENCHES

Location

TELEGRAPH TRACK WILSONS PROMONTORY, SOUTH GIPPSLAND SHIRE

Municipality

SOUTH GIPPSLAND SHIRE

Level of significance

Heritage Inventory Site

Heritage Inventory (HI) Number

H8119-0019

Heritage Listing

Victorian Heritage Inventory

Interpretation of Site

Heritage Inventory Interpretation: These features are similar to holes formed by uprooted trees, however the regularity of their shape suggests a cultural origin. There are no artefacts or structural features associated with the site that can indicate function; given the history of military use of this area , particularly for commando training, it seems most likely that the site could be associated with the latter. Possibly the trenches were dug as overnight bivouacs on the steep hillslopes.
