Statement of Significance

Last updated on - August 3, 2004

The Navarre Old Cemetery, rear of 46-50 High street, Navarre, has significance as an important place of commemoration and as a cultural landscape to the local area. Characterised by a rural grassed setting with few early graves and grave surrounds, and mature exotic trees.

The Navarre Old Cemetery is **historically** and **aesthetically** significant at a **LOCAL** level. The Cemetery is associated with the development of the settlement of the Navarre district in the second half of the 19th century. The Cemetery demonstrates important visual qualities. These qualities include the rural setting with an open grassed setting, surviving graves and mature exotic trees.

The Navarre Old Cemetery is **socially** significant at a **LOCAL** level. It is recognised and valued by the Navarre community and the surrounding district for cultural, spiritual and commemorative reasons.

Overall, the Navarre Old Cemetery is of **LOCAL** significance.

Physical Description 1

The Navarre Old Cemetery is situated behind the Navarre Hall set in a small fenced area in an open paddock. The area is fenced with an agricultural wire and metal dropper fence with large round timber posts at the corners. The cemetery contains a small number of marked graves with headstones and grave fences. There is a pair of cypress trees marking one grave and a large bush sheltering a small group of other graves.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
