History

Heritage Inventory History of Site: The pre-emptive rights of the first squatters in the area are located well away from the site. The homestead therefore must date to the selection period which began in 1869 according to Huffer (1979). The name "Cumming" given to the road approaching from the north is not one of those of the initial selectors (CPO Parish Map) however the homestead could predate the road.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
