Statement of Significance

Last updated on - August 12, 2004

The house at 29 Kings Avenue, St Arnaud is **historically** and **architecturally** significant at a **CONTRIBUTORY** level. It is associated with residential developments in St Arnaud in the 19th century and demonstrates some important design qualities. These qualities include the hipped roof form, horizontal weatherboard wall cladding, hipped verandah, galvanised corrugated iron roof cladding, and the timber framed windows. The setting on the large site also contributes to the streetscape.
