Property Number

History

Heritage Inventory History of Site:

In 1956, the Bright State battery was giving higher average yields than any other government battery in Victoria. It is still operational and negotiations are underway to have the battery retained as a permanent heritage display.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.

For further details about Heritage Overlay places, contact the relevant local council or go to Planning Schemes Online <http://planningschemes.dpcd.vic.gov.au/>
