## History

As on the original inventory. The building is also within the boundaries of the subdivision of Boorgunyah: a 'Township surveyed and proclaimed in 1859 although the township never developed' (<http://homepages.rootsweb.ancestry.com/~surreal/AVNE/Towns/towns-wodonga.html#boorgunyah>)

A search of the Parish and geological plans and general historical texts regarding Wodonga has not revealed further information regarding the history of this site.
