Statement of Significance

Last updated on - August 18, 2004

The house at 18 Millett Street, St. Arnaud is **historically** and **architecturally** significant at a **CONTRIBUTORY** level. It is associated with residential developments in St. Arnaud in the early 20th century and demonstrates some important design qualities. These qualities include the gable roof forms, decorative, bichromatic brick work, brick chimney and the timber framed windows. The setbacks from the front and side boundaries of the building on the site contributes to the streetscape in the area.
