Victorian Heritage Inventory

Interpretation of Site	Possibly remains of a whaling station. Vacant lot with visible artefact scatters along the road (Dutton Way).
Archaeological Significance	The site is archaeologically significant as it contains subsurface cultural deposits. Excavation may help conclude the context of the site.
Historical Significance	Potential historical value relating to Portland's early history and industry.
Hermes Number	114782
Property Number	

History

Early records indicate the site may have been used as a whaling station, then boiling down works and later as the site of saw mill. Possibly the site of "Henty's Whaling Station, 1841".

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
