Hermes Number	11492
Property Number	

History

Heritage Inventory History of Site:

Construction began in 1883 - was completed by 1885/6 at a cost of 1,300 pounds. Built from local timber supplied by I. & J. Hodgson. Repaired by A.J. Pickering - replacing timbers and straightening and strengthening walls, possibly after 1909 (The Great Flood). Concrete abutment added on southern side. Timber structure becomes derelict at an unknown date. Weir silts up burring part of the structure.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
