Heritage Inventory History of Site:

The history of this site is largely unknown, however, the original structure is assumed to be at least 50 years old. A Department of Land and survey Map (1954) indicates it may have been constructed by Bott. The site was probably levelled some time after the land was gazetted by the Commonwealth after 1954.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
