Location

OFF LONGFORD-LETTTS BEACH ROAD LONGFORD, WELLINGTON SHIRE

Municipality

WELLINGTON SHIRE

Level of significance

Heritage Inventory Site

Heritage Inventory (HI) Number

H8321-0014

Heritage Listing

Victorian Heritage Inventory

Interpretation of Site

Heritage Inventory Interpretation: This site is an intact concrete jetty. Its original purpose is not known. It was probably associated with the use of lake resources before the land was purchased by the RAAF - most likely fish. The site is today used by duck hunters and recent brick work over lying the jetty is probably a result of their activity.

History

Heritage Inventory History of Site:

The history of this site is largely unknown. The original activity for which it was constructed probably ceased before the land was purchased by the RAAF in 1954.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
