Heritage Inventory History of Site:

The history of this site is largely unknown. The original structure(s) assumed to be at least 50 years old. A Department of Lands and Survey Map (1954) indicates it may have been constructed by McConnell. The site was probably destroyed some time after the land was gazetted by Commonwealth - after 1954.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
