Property Number

Physical Description 1

A single storey weatherboard building with a corrugated iron roof and a broad gable end facing the street with strapped fibro-cement infill and timber lattice below the apex. There is a splayed ingoing entrance to the centre flanked by large fixed sash timber-framed windows. Skillion verandahs along the side elevations have been enclosed and there is a small addition to the left hand side. The building is connected to an adjacent single-storey weatherboard cottage which has a corrugated iron roof and strapped fibro-cement infill to gable ends. The front verandah to the cottage has been enclosed with fibro-cement sheet.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
