Yarra Ranges Shire

Statement of Significance

Last updated on - July 5, 2000

This site has regional significance. Individually, the relics along the route of this former timber tramway are not of significance. But as a whole, the formation is an interesting example of a 'between wars' minor tramway feeding into a mainline, in this case the Powelltown tramway. (Supple, 1991)

Heritage Study/Consultant Yarra Ranges - Shire of Yarra Ranges Heritage Study, Context Pty Ltd, 2000;

Hermes Number 115962

Property Number

Physical Description 1

Lower section of tramway follows the Saxton Creek Valley. Examples of each of wooden rails, wooden with steel trap rails and lightweight steel rails are found along the tramway route. (Supple 1991)

Physical Conditions

Poor

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
