Statement of Significance

Last updated on - April 5, 2013

Re-assessed by Context in 2018 and found to be of Contributory Significance to the Cotham Road Precinct

Assessed by Context Pty Ltd in 2012:

A well-designed Moderne building with glazed brown bricks, steel windows, curved corner & door hood. Sadly, all steel windows to the ground floor have been recently replaced and elongated, ruining horizontal emphasis. Would have been Individually Significant without these unsympathetic changes, now could be contributory to the row of Moderne shops extended west from it in Cotham Road.

Not recommended for an individual Heritage Overlay.
