Heritage Study/Consultant Ballarat - Ballarat Conservation Study, Jacobs Lewis Vines Architects, 1978;

Hermes Number 120770

Property Number

Physical Description 1

This late Victorian style brick villa is situated on the opposite corner of Cameron Street from "Clowance" and is an important element of the area.

The main features of interest are the bay windows with a fluted cornice fanning out to join the roof gable. The gable ends of the roof have decorative stucco and timber barge boards with a decorative finial. The detailing of this house is transitional between Victorian and Edwardian architectural styles and it was probably constructed around 1910.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
